

# TOP 7

Reasons why Log360 is your

## BEST FRIEND IN THE

## CYBER REALM.

01

It protects you against people who want to hurt you.

02

It is always there for you when things go haywire.

03

It leaves no stone unturned to help you find the root cause of a problem.

04

It gives you solid character reports with the help of user and entity behavior analysis (UEBA).

05

It makes sure you comply with the rules of the game (regulatory mandates).

06

It alerts you when something seems off.

07

It helps you orchestrate SOARing get-togethers through integrations with third-party tools.
