Business Needs

Erste Bank has been present in Montenegro since July 2009. It is a part of the Austrian Erste Group Bank, the largest banking group in the Central Europe having more than 17 million customers. Erste Bank AD Podgorica wanted to monitor user / domain administrative actions within Active Directory in the simplest and cost effective ways.

Solution

Erste Bank AD Podgorica trialed ADAudit Plus along with other products and now vouch for ADAudit Plus. Highlights being instant deployment, Erste Bank now had full knowledge of Active Directory events that helps them solve issues accurately and quickly. Numerous audit reports and instant email alerts is very easy and effective. The web interface ensures secure access from anywhere. Competitors solutions were much more complicated for administration, deployment and client configuration. ADAudit Plus results are great!
